

**CONSOLIDATED REPORT ON BUILDING AND SUSTENANCE OF
INNATE TALENT /APTITUDE OF THE INDIVIDUAL STUDENT**

Our college believes in holistic development of our students. We encourage them to organize and participate in various state and national level programs. We have been conducting intra college competition called BLITZ, annually where we conduct sports and cultural events within the college level. Every year we organize intercollege competition called SANGAMAM, wherein students from various colleges across South India take part in academic, cultural and sports activities and the winners are rewarded with trophy and cash prize. Our institution celebrates cultural festivals like Pongal, Ayudha Pooja where students and staffs take part in games that are indigenous to our culture. We also encourage our students to take part in national level conventions like MIDAS, MOKSHAA and our students have won many prizes in these competitions.
