## MESSAGE FROM THE SECRETARY

On Behalf of the Mamata Educational Society, it gives me immense pleasure in welcoming the fresh batch of MBBS and BDS students who joined in Mamata Medical and Dental College for the academic session 2022-23. Congratulations for having succeeded in getting admission to professional courses.

In view of the heavy syllabi and lengthy duration of these courses, the students learn and adopt to the new methods of teaching and training in professional college. The present trend of integrated teaching and problem based learning will soon replace the existing system and make the training more meaningful.

Being the premier and first self financing private medical college in our state lot of efforts were put in to make it one of the best educational entities in this state. Having built a reputation for excellence in professional education and research, with the best quality facilities and faculty, it delivers quality medical education to more than 1000 on roll students and nurture a confident generation of doctors. For this qualitybased approach in professional education National Assessment and Accreditation Council (NAAC), Bangalore on 18.10.2022 with CGPA of 3.05 on four point scale at 'A' Grade with a descriptor VERY GOOD.

I must also inform you that Ragging is a serious offence and anybody indulging in ragging will be liable for severe punishment under the Anti Ragging Act. Beware and avoid such situations where the college authorities are compelled to take unpleasant actions, which really nobody wants to. This Academic Calendar 2022-23 is intended to be a medium to provide some additional information about the college and its regulations etc.

I wish you all the best for a successful passage through the course and a very bright future.

## MESSAGE FROM DEAN & PRINCIPAL

I have great pleasure in welcoming the first year students to our Mamata Dental College. I hope to convey the passion and enthusiasm that both staff and students bring to all that they do here, making Mamata Dental College such a wonderful place to learn.

Our emphasis is on developing the right kind of attitude and humane approach in treating the sick and needy. I encourage students to take full advantage of the facilities available and perform to their full potential. I assure you that our faculty and administration would always be supportive in all endeavours. As a prospective student or parent or an interest visitor, please take some time out to learn more about us through our website. Our office and I would be pleased to interact or correspond if you would like to know more or collaborate with us.

This academic calendar is to provide some important information and guidance for students and their families about our college policies and routines.

I wish you all the best for achieving greater success and scaling newer heights in your education and career ahead.

# MAMATA DENTAL COLLEGE

Mamata Dental College was established in the year 2001-02. It is the premier and first self financing private college in Telangana and moving towards improving the standards of medical education, research and bringing solutions to health problems of the people of the district and humanity. Mamata dental College has a history of struggle and success. Twenty years ago, a young man had a dreamed to educate young and aspiring members of the society and aimed transform them into doctors but also to cater the needs of poor people of Khammam with advanced medical services. It's the dream of our founder "Sri Puvvada Nageshwera Rao Garu", a multifaceted humanist who inspired and elevated men and women of this region, which lead to the establishment of this institution. Today the college has rapidly grown into an excellent dentl center. The campus has spread over an expansive area of 5 acres of lush green vegetation with beautiful natural surroundings. It is recognized to have 100 BDS & 41 PG seats. The college is also re-accredited by the NAAC, Bangalore on 18.10.2022 with **CGPA of 3.05 on four point scale at 'A' Grade with a descriptor VERY GOOD.** These institutes are also approved ad accredited by Higher Learning Accreditation Commission of Texas (**HLACT**) for keeping up international education standards and academic quality procedures. In the year 2007 both college and hospital were accorded **ISO 9001:2008** for quality management system.

All these have been possible due to the relentless efforts of Sri. Puvvada Ajay Kumar, our President, MES & Honorable Minister of Telangana legislative assembly. His untiring, unrelenting perseverance transformed the rocky plateau into a bustling community. His vision and experience are the guiding spirit for this college. He stood behind the institution in its most difficult days and the rapid progress of this college stood as an eloquent testimony for his vision.

Having built a reputation for excellence in professional value based medical education and research with the best quality facilities and faculty; it has delivered quality medical education for more than 600 roll students and nurtures a confidence in generation of doctors. The college also included in its curriculum integrated teaching and problem based learning to make the training more meaningful by adopting evaluation of teachers by students and feedback from students and faculty on various programs and administration including adoption of MENTORSHIP and making it as RAGGING FREE COLLEGE. Central research lab facilities are made available for staff and students to conduct their basic research work.

The fully automated central library has early 8979 books, 71 national and international journals in addition to the digital library with 50-node high-speed internet facility with unlimited downloading facility.

The college is supported by an ultramodern Mamata General & Super Speciality Hospital with state of the heart qualified and experienced with 1000 teaching beds and 12 intensive care units. The hospital is able to attract and serve patients from surrounding 8 districts with 12 specialties and three super specialties (Cardiology, Neurosurgery and Urology). Hospital is also accorded with ISO 9001: 2008 for quality management system and conducting standard medical courses and patient care by JAS-JAZ, Australia.

Owing to the high standards of professional education and training and fine infra structure facilities and faculty the campus attracts a large number of students from all over India and abroad. Today the campus provides one of the finest environments for students in medical field. All efforts are aimed to make this campus an excellent CENTRE FOR LEARNING.
