The Chairman welcomed all the members and requested the IQAC coordinator to start the proceedings of the meeting.

1. The chairman requested the Coordinator to present the proceedings of the previous meeting of the IQAC held on 9th March 2022. The IQAC coordinator presented the excerpts of the proceedings. The members discussed the details and decided to approve the proceedings.
2. Dr Sunitha informed committee members regarding submission of Annual reports. Annual reports of 2018-2019, 2019-20 were submitted on 8.1.2022. Clarifications received for both annual reports and were duly provided. After perusal by the NAAC office, the annual report for the year 2018 – 19 was accepted on 17.01.2022. The annual report acceptance for the year 2019-20 was delayed due to issues with the weblinks provided. It was accepted after the weblinks were resubmitted on 26.05.2022.
3. She also informed that the IIQA details were uploaded onto the NAAC website on 26 March 2022. The details submitted in IIQA was then approved on 26 April 2022.
4. The process for SSR submission was explained by Dr Sunitha in detail. The coordinators working on the different criteria submitted the data in the third week of May 2022. Thereafter, the data entry in the online submission of SSR was initiated and the SSR was submitted successfully on 8th June 2022.
5. Dr Sunitha also informed the team that the students will receive mails for the student satisfaction survey and that the NAAC office would intimate the same. Clarifications for the SSR submitted will also be sent by NAAC and hence they also need to be answered as soon as possible.
6. Dr. Anitha Rao informed that the results for the UG exams conducted in Jan/ Feb have been declared by the university. The pass percentage was above 80% in all the years with the highest pass percentage in the III BDS students who secured 93.8%
7. Dr Chalapathi informed that the Final MDS results were also declared and a pass percentage of 92.85% was secured.
8. The HOD's of the departments in which students had not cleared the exams were instructed by the Chairman to analyze the reasons for the failure and provide additional support to those students. They would appear for the exams again in November 2022

The Chairman welcomed all the members and informed the team that the IQAC team has been reconstituted for the year 2023. He also extended his warm gratitude to all the members of the previous team who had worked untiringly for the success of the NAAC inspection and accreditation held in October 2022. The NAAC inspection was held on the 13th & 14th October, 2022. The NAAC office had intimated the score after the inspection and the score was 3.05 which is an A grade. The validity of the accreditation was from 18th October 2022 to 17th October 2027. The peer team had also made some suggestions and recommendations for the college to adopt in its future.

1. The chairman informed the committee members regarding changes in the submission of Annual reports. Annual reports henceforth need to be submitted by 31st Dec of every year in contrast to the earlier submission in June of every year. He also appraised the team that the AQAR format has been revised and requested all the members to familiarise themselves with the new format.
2. The convener for the admission committee, Dr S Anitha Rao, informed the team that the admissions for the MDS program has been completed and they had been instructed to attend college from the 5th of December 2022. She also informed that the admissions for the BDS program was ongoing.
